

OCMC Application

Please fill this form out to the best of your ability. Type your response and email it to Alex at cuberalex@mac.com in word document (.doc) or portable document format (.pdf) form. Feel free to use as much space as needed.

Name:

Grade level:

School:

1. Why do you want a leadership position? What are your skills that make you suited to one or more of the departments (Tournaments, Santa Ana Math Club, or AMC 8/Mathcounts Preparation)?

2. List your math experience (list all classes taken and competitions that you participated in)

3. List your leadership experience (specifically list any experience with community service or teaching)

4. List all current extracurricular activities (provide a rough estimate of the time commitment)

5. If you were a member of the Orange County Math Circle last year, please explain how you contributed to the circle.

6. If there is anything else you want us to know about you, put it here.
